PAC Prayer Committee Scripture of the Week

Save the Date—Dear Church Family, As many of us have found through the changes of the last 3 years, family meetings are of high value. Gathering together to pray, support each other, catch up on new developments, and plan for the future are all things that most of us have done with our families on a personal level. Good old-fashioned conversation is both meaningful and healing. Since the fire, we, as a Church Family, have also had “family meetings” or “Town Hall” meetings where we have walked through those same processes of prayer, supporting, updating, and planning for the future. In recent months, we have had two “Town Hall” meetings specifically focused on our church campus rebuild. I think it would be helpful if we could again meet together as a Church Family and spend time in conversation. We have set aside **November 14, from 10:00 am to noon** and will be using the acronym “SWOT” as a conversation guide. So please be thinking of what, in your perspective, are the greatest **S**trengths, **W**eaknesses, **O**pportunities, and **T**hreats to the recovery and development of ministry on the Ridge. I am looking forward to this sweet time of family fellowship.—Pastor Steve Hamilton

Dear Church Family,

As we head into the Thanksgiving and Christmas Holiday Seasons, we all tend to reflect on the many gifts and blessings provided each of us from God's hand.

As church leaders, we are grateful for your support of our church finances throughout the ENTIRE year and wish to express our many THANKS to you for partnering with us in the Lord's ministry on the Ridge!

But we would be remiss if we didn't admit that we look forward to the traditional year-end boost in donations for the PAC Ministries Fund. Without these much-needed funds we could not operate our two schools (Paradise Adventist Elementary and Paradise Adventist Academy) and our many other church ministries.

Our church finances have been operating in a deficit position during most of this calendar/fiscal year. Right now we are estimating that just over \$234,000 is needed by December 31 in order to cover all our 2021 Operating Expenses:

\$113,675 to clear our YTD **deficit** (as of September 30)

40,000 October expenses

40,000..... November expenses

40,700..... December expenses

\$234,375NEEDED between October 1 and December 31, 2021

Even though this seems like a *HUGE* amount to receive in just three months, it looks much more "doable" when you consider that in 2020 we received \$298,770 during this same period!

So we ask that as you plan your year-end giving, you reflect on the blessings you have received this year by prayerfully considering a special year-end gift for the **PAC MINISTRIES FUND** (a.k.a. Church Family Budget on your Tithe & Offerings envelope).

Again, we give you our heartfelt thanks!

CELEBRATE WITH CYNTHIA CLARK!

Cynthia Sofia Clark was born on June 1st, 2010, in Modesto, California.

In 2018, she and her brother Cedric moved in with Milton & Carol McHenry, rebuilt a home on Edgewood Lane, and started going to school at Chico Oaks Adventist School, and then Paradise Adventist Elementary. She is now in 5th grade and wants to show her love for Jesus through baptism.

Cynthia is energetic, social, and fun-loving. She loves dogs of all kinds, and completely adores her dog. Roller skating is one of her passions along with swimming and climbing. She is

growing in reading and math, and has learned many new memory verses in her school—usually getting them right on! She is becoming a beautiful, loving young lady, and surely will go far in her life for Jesus. After all, she is a promise to be anything God wants her to be.

Congratulations, Cynthia, on your decision to follow Jesus!

WELCOME THE BULLOCK FAMILY!

Amanda (daughter of Cindy & Randy Waring) and Josh are both working in the financial area as accountants. They have 3 children: Dylan (9yrs) and Elliot (6yrs), both in PAE, and Gage (1yr). These kids are thoroughly enjoyed by Grandpa and Grandma Waring!

The family loves outdoor activities such as water sports, camping, and off-roading with Jeeps. They have already joined our church family on many outdoor adventures and are a part of the “jeeping” fraternity, which allegedly gives them stronger membership in our church family! We are thrilled to have them join the PAC Family on whatever future adventures lay ahead! Welcome, Bullock Family!
