Your prayers are appreciated and requested for:

- ⇒ Those who are suffering pain after the loss of a loved one.
- ⇒ Those who desire healing and mercy during their ongoing health challenges.
- **Elgin Frye** *(recovery from a broken hip)*
- **Bernie Mallory** *(health challenges)*

Capture Your World View—Everyone has a worldview. It's the lens through which you see the world. Join us on a 5 night journey investigating your worldview with guest speaker, Brian Simmons. **Sunday-Thursday evenings (May 8-12)** in the PAA library. Bring a friend!

Widow's Might Location Change—Widow's Might plans to meet at the creek by Carolyn Scarbrough's (530.966.2560) home in Butte Valley next **Wednesday morning, at 11:30am.**

Next Sabbath's Worship Service will be "Under the Oaks" and will also be a "Guitar Service." You are invited to bring your chairs and join us for an outdoor service across the street on the church property. You are also encouraged to bring your guitars and ukuleles and play along with the praise team. Chord charts will accompany next week's e-bulletin.

Celebration and Honoring of the Lees, Mays, Vances, Kathy McFarland and Joni Rasmussen—We would like to honor these families as they plan to move shortly following the end of the school year. Please join us in celebrating them at our May 14 potluck which will be held in "Under the Oaks" following the Worship Service. Cards are welcome. Bring picnic food to share.

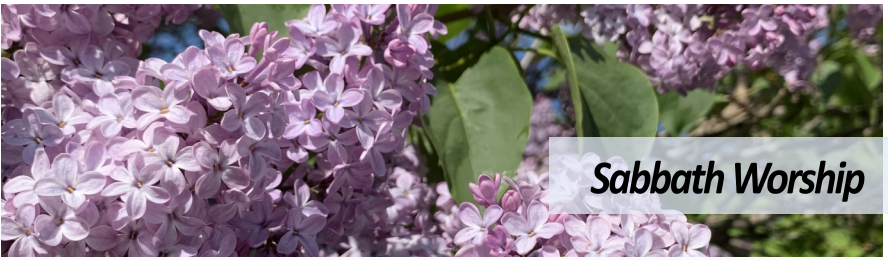

Youth Hike and Vespers Next Friday—Come join us for a hike, hotdog roast, and vespers at the Horning's (16186 Skyway, Magalia) **next Friday evening, May 13.** Meet in the PAA parking lot at 5:30 pm. Transportation is available. Contact Pastor Larry for more details (769.669.7944).

Save the Date—for our next **PAC Business Meeting on Sunday May 15 at 10 am.** The agenda will include at least 3 items: (1) Paradise Adventist Elementary purchase of a small house adjacent to our property for teacher housing. (2) Vote on auditor recommendation regarding the prior K-12 PAA. This is simply a housekeeping issue which will enable the auditors to "close the books" on the K-12. (3) Review new church floor plan from our Vision Committee.

Upcoming Work Bee on May 22 (8am-12pm) focusing on fire abatement on the PAA/PAE Campus. Please bring weed-eaters, gloves, and pruning shears.

Outgoing Membership Transfers—Second Reading: Doug Snider to San Marcos SDA Church, TX; Theodore Westbrook to Oroville SDA Church; Steven Whalen to Chico SDA Church.

Adventurer Club—Paradise & Chico Church Adventurer Club is a club that meets twice a month, September to May, for children ages 4-9 and their families to grow their faith together as they explore God's world and learn how to serve. Follow the link to learn more and sign up. We need volunteers too! <https://forms.gle/MbsGLUhwDobns7pz5>. Please feel free to take a flyer located on the back table to share with friends and family.

PAA West Coast Music Tour

A much anticipated music tour took place April 27-30 traveling to sights of the Pacific Northwest. The tour kicked off at the beautiful Shasta Caverns followed by their 1st performance at Rogue Valley Adventist Academy. It was a packed itinerary with stops at the Oregon Museum of Science & Industry, Portland's Art Museum and a symphony in Seattle. Students ventured the streets of Seattle with a visit to the iconic Pike's Place Market. A handful of musical performances were scheduled along the route back to CA. All were blessed by the gift of music that our students shared and we applaud the hard work Mrs. Weems put in to making this year's music tour a memorable event for all!

PAA Boys Tennis team is headed to face #1 seed Orland on Wednesday May 4th for the division 2 championship. "A Case for Christian Education"

The Opportunity of a K-12 Christian Education. At the highest levels of parental income, graduation rates are similar to those of Christian schools. However, with 500+ Christian school surveys of parental income, ~40-50% of parents at the avg. Christian school earn over \$100K in yearly household income. Thru financial aid programs, Christian Schools work regularly with 2-3rd Quartile families in which these students are 2-3x more likely to graduate from college than their counter parts in public school. Not only are private schools more economically efficient but their students also achieve BETTER academic and behavioral results. The nation should rethink its strategy of supporting charter schools and overlooking the benefits of faith-based education. William Jeynes, 2012-"Meta Analysis of Effects and Contributions of Public, Charter, Religious Schools."
