**Church Business Meeting Tomorrow**, Sunday, September 18 at 10 am in the PAA Library. We will discuss and review the following request and recommendation being brought by the Church Board to the Church Constituency in Business Session:

*"The Church Board wants to gratefully acknowledge the hours of work of the church vision and building committees. Today we recommend the product of their work completed in cooperation with the architect and contractor. We are asking the church in business session to approve the plan before you. Should you vote to approve this plan, we will be able to move forward with contracting and obtaining a final budget which we will bring to a future business meeting for discussion and approval."*

## **International Student/Host Family Program**

**"And do not forget to do good and to share with others, for with such sacrifices God is pleased". Hebrews 13:16**

Paradise Adventist Academy has the privilege of partnering with the International Home Missions Agency to assist in hosting international students from various countries. In the past, families within our community have opened their homes to enable foreign students to experience a Christian high school experience at Paradise Adventist Academy. Not only are students engaged with quality academics, athletics, social and leadership opportunities, but they have opportunities to learn about the teachings and philosophies of Jesus Christ.

We have been blessed to have Jack, a Sophomore boy from Korea and Reo, a Junior girl from Japan. PAA is blessed to have both of these students and would like to make sure we help these students achieve their goals while attending an American school.

Unfortunately, Reo's current home stay situation is needing our help. God has called us to serve and we are asking for your help in opening up your home for her to stay from October through June while she finishes this school year at PAA. Many find this to be a beautiful way to be a witness and mentor for these students who start out by seeking educational advancements but end up with the added blessing of accepting Jesus into their lives.

If you are interested (or if you know of anyone who is interested )in serving as a host family to a student who is seeking Christian education, please contact Julie Ching, PAA Marketing Director, at [jching@mypaa.net](mailto:jching@mypaa.net). To inquire detailed information about hosting an international student please visit [internationalhomestayagency.net](http://internationalhomestayagency.net).
