October is Pastor Appreciation Month! We invite you to reach out to Pastor Tom all month long to let him know how much he is loved, supported, appreciated, and prayed for. (Note cards are available on the back table.) Please take this opportunity to show appreciation to our co-head elders, Brian Dudar and Randy Waring as they are providing pastoral leadership during this time of transition. We are so thankful for all of the ways each one serves our Church Family!

UNTANGLING OUR RELATIONSHIPS

Finding Healing with Abraham's Family

WITH DR. BRYAN CAFFERKY

— November 3 & 4, 2023 —

Discover how God can help you bring healing and restoration to your family, so that your kids (and their kids) can have a different future.

Explore how unresolved **"generational" anxiety pursues us**, eventually becoming trapped as part of the family system.

Learn the same concepts I teach couples in my therapy room.

This seminar offers a compelling new paradigm to explain why families act the way they do. You'll walk away with practical tools to untangle those tricky relationships, which then allows you to begin reweaving the fabric of your family.

Redeeming the part you play in your family patterns can create powerful change that ripples down your family tree.

CHANGE YOUR FAMILY TREE

Dissect the troublesome relational dynamics that hurt Abraham's family and unlock refreshing possibilities for our current relationships.

Acquire practical tools to help you navigate tricky family dynamics and avoid common relational pitfalls.

Learn how **shifting your mindset and behaviors** can free family members from the baggage of generational millstones.

Abraham's Family Trouble

Learn to "read" a family genogram to track various behaviors across four generations in Abraham's family.

Sabbath Morning S.S. (90 mins) @ 9:30am

Triangles Part 1: Trapping Ourselves in Troublesome Triangles

Learn the roles we play in relational triangles—Is there a better way?

Sabbath Morning Sermon @ 11:00am

Rail Meat

Exploration of Galatians 5:22-23 focusing on the last fruit of the spirit (self-control) as it relates to changing family dynamics.

(Fellowship Meal following the service)

Sabbath Afternoon (~90 min) @ 2:00pm

Triangles Part 2: Stable/Unstable Triangles and Where to Find Them

Understand how triangles keep anxiety stuck in the family. Is it "me" or is it the triangle?

"I definitely walked away with a new perspective and strategies I could apply immediately to my professional and personal relationships."

"...he cares about people making connections about their own families and changing their futures for the better."

"Learning about relationship triangles really helped me understand the context for many conversations with my spouse."
