Welcome—Keith Jacobson is a recently retired pastor from the Carmichael SDA church. Many of you will remember the love and support the Carmichael church sent to our church following the Campfire. They provided multiple meals and sent lots of needed donations. His roles in church ministry have spanned being a Campus Chaplain at PUC, Associate Country Director ADRA Nepal, Senior Lead Pastor at College View Church, and most recently the Senior Lead Pastor at Carmichael Church in Carmichael. Pastor Jacobson's main role as interim pastor will be to preach. We are so glad Pastor Jacobson is here today and will share his first sermon with us. Join us in welcoming Pastor Jacobson and his wife Kari.

Pastor Appreciation Sabbath—October is Pastor Appreciation Month and today we want to honor our pastors! We are so thankful for Pastor Tom and our new interim pastor Elder Jacobson. We invite you to reach out to our pastors and let them know how much they are loved, supported, appreciated, and prayed for. (Note cards are available on the back table.) Join us for refreshments in their honor following our service today. We are so thankful for all of the ways each serves our Church Family!

We are sad to inform you that Bruce Nicola passed away on Wednesday after a recent illness. Bruce and his wife Ginger have been an active part of the PAC community including pastoral ministry. Bruce was a pastor in the Northern California Conference for over 25 years. Condolences can be sent to Ginger (1595 Manzanita Ave., Sp.9, Chico, CA 95926). Please keep Ginger in your prayers.

Pastor Larry's Ordination—Everyone is invited to my ordination on November 11 at 5 pm in the PAA Gym. This is a recognition of God's journey with me and a celebration of the communities that have supported my ministry. There will be refreshments following the ordination service.

Nominating Committee Recommendations— *Pastor Search Committee*: Tom Adams, Danny An, Kimberly Baumbach, Whitney Bosque, Helen Cain, Bob Carli, Maddie Carlson, Brian Dudar, Heather Harris, Julie Kitto, Randy Waring.

November Monthly Fellowship meal has been rescheduled to next Sabbath, November 4. The menu is a baked potato bar and the potatoes will be provided. We hope that everyone will join in for this Thanksgiving potluck by bringing the following items. **If your last name begins with: A-J** bring salads; **K-R** bring toppings for the baked potato bar (sour cream, olives, green onions, butter, chili, cheese, etc.); **S-Z** bring desserts. UNTANGLING OUR RELATIONSHIPS

Finding Healing with Abraham's Family

WITH DR. BRYAN CAFFERKY

— November 3 & 4, 2023 —

Discover how God can help you bring healing and restoration to your family, so that your kids (and their kids) can have a different future.

Explore how unresolved **"generational" anxiety pursues us**, eventually becoming trapped as part of the family system.

Learn the same concepts I teach couples in my therapy room.

This seminar offers a compelling new paradigm to explain why families act the way they do. You'll walk away with practical tools to untangle those tricky relationships, which then allows you to begin reweaving the fabric of your family.

Redeeming the part you play in your family patterns can create powerful change that ripples down your family tree.

CHANGE YOUR FAMILY TREE

Dissect the troublesome relational dynamics that hurt Abraham's family and unlock refreshing possibilities for our current relationships.

Acquire practical tools to help you navigate tricky family dynamics and avoid common relational pitfalls.

Learn how **shifting your mindset and behaviors** can free family members from the baggage of generational millstones.

(Fellowship Meal following the service)

Sabbath Afternoon (~90 min) @ 2:00pm

Triangles Part 2: Stable/Unstable Triangles and Where to Find Them

Understand how triangles keep anxiety stuck in the family. Is it "me" or is it the triangle?

"I definitely walked away with a new perspective and strategies I could apply immediately to my professional and personal relationships."

"...he cares about people making connections about their own families and changing their futures for the better."

"Learning about relationship triangles really helped me understand the context for many conversations with my spouse."
